Re My "opting out" of your July 1, 2013 scheduled replacement of my analog mechanical electric meter with a wireless digital microwave meter which you call a "smart" meter.

Memo: Your "APS" analog meter readers have current permission to come on the above property once-a-month to read this analog meter. This property is clearly posted NO TRESPASSING and any attempt by "APS" to send "Smart" meter installation crews to replace the existing analog meter will be in violation of several laws, see attached, lawful declaration of Public Notice and Warning. With this certified memo, I officially "opt out" of your "Smart" meter replacement plan.
